We reserve the right to make changes to the technical data. The test results and specified values are subject to a tolerance of +/- 10 %. Crucial for the up-to-date data is the information on our homepage www.regupol.com.

Wherever direct, prolonged or repeated skin contact can be expected, the requirements for a Consumer Product currently valid within the EU must be met. Where this is not expected, your choice can be made from the entire decor portfolio. Those product fulfilling the requirements of a "Consumer Product", are explicitly marked as such. Should any questions arise that need clarification, contact your sales representative at our company directly or write to us using the contact form on our website www.regupol.com.
